CITY of ALBUQUERQUE SEVENTEENTH COUNCIL

Changing the Name of 98th Street Between Interstate 40 and Ladera Drive to Arroyo Vista Boulevard, Changing the Name of the Old 98th Street Alignment Between Unser Boulevard and Tierra Pintada Street to Tierra Pintada Boulevard (Sanchez)

CITY of ALBUQUERQUE SEVENTEENTH COUNCIL

CHANGING THE NAME OF 98th STREET BETWEEN INTERSTATE 40 AND LADERA DRIVE TO ARROYO VISTA BOULEVARD, CHANGING THE NAME OF THE OLD 98th STREET ALIGNMENT BETWEEN UNSER BOULEVARD AND TIERRA PINTADA STREET TO TIERRA PINTADA BOULEVARD, CHANGING THE NAME OF TIERRA PINTADA STREET TO TIERRA PINTADA BOULEVARD.

WHEREAS, the City's policy on naming new streets was amended in Resolution-2005-26 to provide for the Council to evaluate and redesignate a street name if the Council finds the name is not consistent with city policies and the public welfare so long as the street has not been constructed or the street has been constructed but structures have not been built on the street; and

WHEREAS, 98th Street was realigned with the adoption of the Westland Master Plan. The previous alignment of 98th Street still exists from Unser Boulevard to Tierra Pintada Street. This segment forms a continuous roadway with Tierra Pintada Street as depicted in Exhibit A to this resolution; and

WHEREAS, the new alignment of 98th Street from Interstate 40 proceeding in a generally northwest direction to Paseo Del Volcan was renamed Arroyo Vista Boulevard, not including the segment of 98th Street from Interstate 40 to Ladera Boulevard as depicted in Exhibit A to this resolution; and

WHEREAS, Tierra Pintada Street, as depicted in exhibit A to this resolution, is an arterial. City Ordinance 6-5-2-3 (A) 1 ROA 1994 requires that new principal and minor arterial streets, as defined by the Long Range Major Street Plan, shall be designated "Boulevard"; and

WHEREAS, structures do not front 98th Street between Unser Boulevard and Tierra Pintada Street, nor do structures front 98th Street between Interstate 40 and

Ladera Boulevard or along Tierra Pintada Street from 118th Street to the old 98th Street alignment; and

WHEREAS, the Council finds that by not renaming the segments of 98th Street identified in this resolution will create confusion for motorists using Arroyo Vista Boulevard and Tierra Pintada Street and that identifying Tierra Pintada as a street and not a boulevard is not consistent with City Ordinance.

BE IT RESOLVED BY THE COUNCIL, THE GOVERNING BODY OF THE CITY OF ALBUQUERQUE:

Section 1. The segment of the old alignment of 98th Street between Unser Boulevard and Tierra Pintada Street is renamed Tierra Pintada Boulevard.

Section 2. Tierra Pintada Street is hereby renamed Tierra Pintada Boulevard.

Section 3. The segment of 98th Street between Interstate 40 and Ladera Boulevard is renamed Arroyo Vista Boulevard.
